

1	Family name	LORENZO LÓPEZ		
2	First name	ANTONIA MARÍA		
3	Date of birth	20 JULY 1972		
4	Nationality	SPANISH		
5	Civil status	SINGLE		
6	Education / Professional studies			
	Dates (from-to)	Institution	Degree/diploma	
6(a)	1991-1997	Faculty of Chemistry, University of Murcia (Spain). Last year of the career studied in the Agriculture and Applied Sciences Faculty in Ghent (Belgium) as Erasmus student.	B.Sc. Agronomic Chemistry.	
6(b)	1998-1999	Murcian Institute of Technology, Murcia, Spain.	Master in Environmental Technology and Engineering.	
6(c)	2001-2003	European Institute of Health and Social Welfare , Madrid, Spain.	Master in Occupational Health and Safety, specialist in Industrial Hygiene.	
7	Language skills Grade skill 1-5 (1 = basic, 5 = excellent, * = mother tongue)			
	Language	Speaking	Reading	Writing
	Spanish	*	*	*
	English	4	4	4
	German	3	3	2
8	Membership of professional bodies			
	Chemists National Professional College			
9	Other Skills			
	Renewable resource management, project management, project development, capacity building, development cooperation.			
10	Name of organisation currently working for and Present position in the organisation	BIOAZUL S.L. R&D Responsible		
11	Years with the organisation	2 years		
12	Key Qualifications (relevant projects which he/she has directed or in which he/she has been involved)			
	Project Manager of Awarenet : Agro-food wastes prevention and minimisation Network . Leader of the Area: Technology . Network with 32 partners and 3,5 years duration.			
	Project Manager of Ecopac : Recyclable and Biodegradable Eco-Efficient Packaging Solutions for the Food industry (cluster leader: R&D appraisal and development). Network with 15 partners and 3 years duration.			
	Project Manager of Packtech : Assimilation and Standardisation of Environmentally Friendly Packaging Technologies within the Food Industry (cluster leader: R&D appraisal and development). Network with 32 partners and 3 years duration.			
	Project Manager of Cleansoil : An Innovate Method for the On-Site Remediation of Polluted Soil Under Existing Infrastructures. (Administrative coordinator. STREP with 8 partners, 4 from Russia Federation and Ukraine, and 3 years of duration)			
	Apart from these networks, I have been involved in the preparation and management, as coordinator or as collaborator, of several projects CRAFTs, STREPs, Coordination Actions, Collective Research Projects and SSAs. In addition, I was involved in the preparation of a proposal within a special programme of the EU focus in Asia for the implementation of a waste management system in the city of Karachi that was approved and is currently running.			
13	Experience in specific developing countries/territories			
	Country	Date	Details	
	-			
14	Professional experience record (mainly in one of the Areas of Activity)			
14(a)	Location	Date	Organisation	
	Sucina, Murcia, Spain	01.06.1999-30.06.2000	Deshidratados Farmacológicos y Especiales, S.A.	
	Position	Quality control and R&D technician		

	Responsibilities	Chemist in the quality control laboratory of raw material, intermediate and final products, and R&D for new products working with natural extracts from plants to be applied in cosmetics and natural drugs	
14(b)	Location	Date	Organisation
	Bremerhaven, Germany	01.06.2001-31.05.2004	TTZ-Bremerhaven
	Position	Project Manager	
	Responsibilities	Technical and administrative project management of international cooperation projects and preparation of project proposals in the fields of minimisation and upgrading of food residues (wastewater and solid wastes), eco-packaging solutions for food products, wastewater treatment.	
14(c)	Location	Date	
	Malaga, Spain	01.09.04-	BIOAZUL S.L.
	Position	R&D responsible	
	Responsibilities	<ul style="list-style-type: none"> - Technical and administrative project management of international cooperation projects and preparation of project proposals in the field of wastewater treatment and reuse, soil remediation, sustainable sanitation and food waste upgrading. - Product development of a sludge reducer to be used in WWTPs, own product of BIOAZUL - Company management - Leader of a team of 4 project managers 	
15	Publications		
	Publisher	Date	Title
	Oral communication in the 4 th Chemical Engineering European Congress	September 2003, Granada	Prevention and minimisation of agro-food wastes generation in the European industries
	Co-author of the Handbook within the EU project AWARENET.	February 2004	Handbook for the Prevention and Minimisation of Waste and Valorisation of By-products in European Agro-Food Industries
