

Curriculum vitae

1	Family name	Drioli		
2	First name	Enrico		
3	Date of birth	14/04/1941		
4	Nationality	Italian		
5	Civil status	Married		
6	Education / Professional studies			
	Dates (from-to)	Institution	Degree/diploma	
6(a)	1965	University of Naples, Italy	Doctor in Chemistry	
	since 1968	University of Naples, Italy	Professor of Chemistry and Electrochemistry at the School of Engineering	
	since 1981	University of Calabria, Italy	Full Professor at the School of Engineering	
	1982-1985	University of Calabria, Italy	Dean of the School of Engineering	
	since 1993	National Research Council, Italy	Director of the Institute on Membranes and Chemical Reactors of the National Research Council (actual ITM-CNR)	
	February 1992	Russian Academy of Science	Doctorate <i>Honoris Causa</i> in Chemistry and Chemical Technology	
	Sept. 1991	China Northwest University in Xi'an, Shaanxi, People's Republic of China	Honorary Professor	
7	Language skills Grade skill 1-5 (1 = basic, 5 = excellent, * = mother tongue)			
	Language	Speaking	Reading	Writing
	English	5	5	5
	Italian	*	*	*
8	Membership of professional bodies			
	<p>-President of the European Society of Membrane Science and Technology (1982-1998). -Chairman of the Working Party on Membranes of the European Federation of Chemical Engineering (since 1985). -Honorary Founding President of the European Membrane Society (from 1999). -Honorary Member of the A. V. Topchiev Institute of Petrochemical Synthesis at the Russian Academy of Sciences, Moscow (from 1999). -Visiting scientist at the Max Plank Institut für Biophysic, Frankfurt a.m.; at the Chemical Engineering Department of the North Carolina State University, Raleigh, USA; at The Bend Research, USA; at the Institute of Membrane Science and Technology, Lanzhou, R.P.China; at the Demokritos Nuclear Research Center, Athens, Greece, etc. Invited lecturer at various Universities, Scientific Institutions and Industrial Research Groups in Australia, Austria, Bahrain, Belgium, Bielorussia, Brazil, Czechoslovakia, Demark, Egypt, Finland, France, Greece, Holland, Israel, Japan, Jordan, Kuwait, Malesia, Malta, Norway, Oman, P.R. China, Poland, Portugal, Russia, Singapore, Slovakia., Spain, Sweden, Switzerland, UK,USA, USSR, West Germany. -Patron Member of the Indian Membrane Society. -Member of the Advisor Board of the UNESCO Center on Membrane Science and Technology at the New South Wales University, Australia. -Member of the European Communities Chemistry Council (E.C.C.C.).</p>			

	<p>-Member of Executive Council of the European Federation of Chem. Engineering (from 1996)</p> <p>-Member of the Interim Board of Governors of the Middle East Desalination Research Center, Oman, Muscat (1994 - 1996); Member and Moderator of the Research Advisory Council of the Middle East Desalination Research Center, Oman, Muscat (from May 1997)</p> <p>-Member of the NATO/CCMS Pilot Study on "Clean Products and Processes"</p> <p>-International Scientific Counselor of the Membrane Industry Association of China</p> <p>-Member of the ASME Industrial Water Treatment Committee</p> <p>-Member of the Advisory Board of numerous international scientific journals.</p> <p>-Member of the Scientific Committee of ENICHEM S.p.A., Milan (1985-87), Tecnofarmaci S.p.A. (Rome); Member of the Technical Committee of CESVITEC (Naples); Concia Ricerche (Milan), etc.</p> <p>-Served as expert or consultant of various National and International Organizations as U.N.D.P.; Economic Council of EUROPE, UN, Geneva; Commission of the European Community; DG XII, Brussels, Belgium; Nat. Science Foundation, Washington, USA; Australian Research Council, Canberra, Australia; Swedish Research Council for Engineering Science, Sweden; NATO (Science for Peace Program); Ministero dell'istruzione, dell'università e della ricerca, Ministero per le attività produttive (Italy); etc.</p> <p>-Member of the National Committee for Chemistry of the Ministry for University and Scientific Research (1988).</p> <p>-Served as Member of the Commission for the Evaluation of Doctorate Thesis in Chemical Engineering at the University of Twente (The Netherlands), at the University of New South Wales (Sydney, Australia), at the Ecole Polytechnique Federale de Lausanne (Lausanne, Switzerland), at Dept. of Food Eng. University of Lund (Sweden), at Dept. of Chemistry, Glasgow University (U.K.), at Indian Institute of Technology, (Kanpur, India), at ENSIC - University of Nancy (France); at University of Paul Sabatier of Toulouse (France); etc.</p> <p>-Chairman or Co-chairman of various International Conference on Membranes (e.g., Ravello Conference in 1977 and 1988; Europe-Japan Conference in 1984 - Stresa; ICOM in Tokyo 1987; International Conference on Membranes for gas and vapor separation, Suzdal, USSR, 1989; World Desalination in 1991 - Malta; Int'l symposium on Membranes and Membrane Processes, Hangzhou, China, 1994, etc.); Summer Schools (E.E.C.-China in Lanzhou, 1986; and in Nantong, 1988) and Workshops (e.g. Workshop on Membrane Distillation, Rome), EC-Indian Workshop on Membranes, New Delhi, 1991; EEC China Workshop on Preservation of Cultural Heritages, Xian, Shaanxi, P. R. of China (1991); EC-Brazil Workshop on Membranes, Rio de Janeiro, 1992, etc); International Symposium on Membranes and Membrane Processes, Hangzhou, China (1994); ASEAN-EU, Workshop on Membrane Technology in Agro-Based Industry, Kuala Lumpur, Malaysia (1994); International Conference on Membrane Science and Technology (ICMST '98); Ravello Conference on "Catalysis in Membrane Reactors, New Frontiers for Catalytic Membrane Reactors & Other Membrane Systems", organized with the European Science Foundation of Strasbourg (France) and the Kenan Inst. for Engineering, Technology & Science (USA) (1999); 2001 International Conference on Membrane Technology Application, Shanghai & Hangzhou, P. R. China (2001); China - Italy Workshop on Membrane Process for Clean Production and for sustainable Growth, Beijing, P. R. China (2001); Engineering Foundation Conference on Advanced Membrane Technology, Barga, Italy (2001); etc.</p> <p>-Member of A.I. Ch. E., ACS, Soc. Chim. Ital., European Membrane Society, NAMS,</p>	
9	Other Skills	
	-	
10	Name of organisation currently working for and Present position in the organisation	Name of Organisation: Institute on Membrane Technology (ITM-CNR) Present position in the organisation: Director
11	Years with the organisation	13

12	Key Qualifications (relevant projects which he/she has directed or in which he/she has been involved)		
	Involved in several international and national projects		
13	Experience in specific Mediterranean Partner Countries		
	Country	Date	Details
	See above (section 8)		
14	Professional experience record (mainly in one of the Areas of Activity)		
14(a)	Location	Date	Organisation
	See above (section 8)		
	Position		
	Responsibilities		
14(b)	Location	Date	Organisation
	Position		
	Responsibilities		
15	Publications		
	Author of more than 400 scientific papers, 15 patents and several books in the field of Membrane Science and Technology.
